

We would like to express our sincere thanks to:

The Bezos Family Foundation for generously providing funding for 10% of the costs of this Celebration.

Clark's Audio Visual Services for donating 50% of their services for free.

MindEDU for generously providing funding for 3.5% of the costs of this Celebration.

We would *especially* like to thank all of the amazing people presenting at this Celebration because ALL are donating their services for free. None are receiving any compensation and 99% have even covered their own travel expenses.
